{TERMS OF ADVERTISING}

- Monthly advertising accounts are payable 15 (fifteen) days from invoice date.
- Submitted invoices to the advertiser or its agent shall be considered correct and final unless the client or its agent make a written objection. This written objection should be delivered to the Publisher within 20 days of invoice receipt. Advertising and Times Community Newspapers agree to cooperate for the prompt resolution of disputes. Failure to receive tear sheets or checking copies is not recognized as a valid reason to withhold payment.
- Tear sheets are available upon written request only. Advertisers can receive a maximum of 2 tear sheets at no extra charge. Tear sheets in excess of two will be charged .50 each.
- Ads placed by an advertising agency accept the responsibility of payment for the advertisement in Times Community Newspapers on behalf of their client. Otherwise, a written statement from the agency and signed by the client will be required in order to place payment responsibility with the client.
- The Publisher reserves the right to revise the rates on 30 days written notice to the contract advertiser.
- Additional terms or conditions pertaining to an advertising contract will not be recognized by the Publisher unless noted and signed by both parties.
- All copy is subject to the Publisher's approval.
- Advertising cancelled after printing deadlines will be charged the full amount of the ad.
- All contract advertisers who fail to meet specified contract agreements will be short-rated.
- The Publisher does not assume any responsibility for ad errors beyond the actual cost of the ad itself.
- Adjustments will be made only for the first incorrect insertion and only for errors which materially affect the value of the advertisement.
- In the event of non-publication of copy furnished, no liability shall exist on the part of the Publisher and there will be no charge. If an ad has been prepaid, it will run at a later date. If this ad is not to run at a later date, then the advertiser will receive a full credit or refund.
- We will make every effort to comply with requests for certain positions in the newspaper. Unfortunately, we are not always able to do this. Should you want your ad on a specific page, we will guarantee this position for an additional 25% of the ad cost, if available.
- The Publisher will not be bound by any conditions, printed or otherwise, appearing on any order blank or copy instructions when such conditions conflict with any Times Community Newspaper's regulations or rates.
- All advertisements are accepted for publication solely with the understanding that the agency and/or advertiser are properly authorized to publish the entire contents and subject matter thereof.
- It is further understood that, in consideration of the publication of advertisements, the advertiser and/or agency will fully indemnify and hold harmless the Publisher from and against any judgment, costs, expenses or disbursement incurred by reason of claims or suits based upon the contents of subject matter of such advertisements.
- Advertising which might be construed as editorial matter may be labeled "advertisement" at the Publisher's discretion.
- Advertisements of a political nature must comply with existing federal, state or local requirements and must identify the sponsor. All political ads must be paid prior to publication.
- The placing of any matter for publication with any Times Community Newspaper will be regarded as acceptance of the provisions of this rate card.
